The Wall M All-in-One

MMF-A series

Uncompromised visuals, now more accessible

The Wall is a pioneer, constantly opening new ways for unmatched visual statements. Leveraging Samsung's rich R&D heritage, it offers a true all-in-one solution while maintaining its signature picture quality. True black presentation enhances immersion with greater details, while Samsung's exclusive Quick Build technology streamlines installation process—setting up a giant screen in just two hours. Additionally, the control box is fully integrated into the display, eliminating the time-consuming configuration between control box and cabinet. Discover The Wall M, now all-in-one, designed to revolutionize the way you do business.
