

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2013

| INFORMATION   |                | Value                | Unit            |
|---|----------------|----------------------|-----------------|
| 1. Supplier name or trademark   |                | EIZO                 |                 |
| 2. Model identifier   |                | DuraVision FDF2382WT |                 |
| 3. Energy Efficiency Class for standard Dynamic Range (SDR)                   |                | F                    |                 |
| 4. On mode power demand for Standard Dynamic Range (SDR)                      |                | 21                   | W               |
| 5. Energy Efficiency Class for standard Dynamic Range (HDR)                   |                |                      |                 |
| 6. On mode power demand in High Dynamic Range (HDR) mode                      |                |                      | W               |
| 7. Off mode, power demand   |                | 0                    | W               |
| 8. Standby mode power demand  |                | 1.8                  | W               |
| 9. Networked standby mode power demand  |                |                      | W               |
| 10. Electronic display category   |                | Monitor              |                 |
| 11. Size ratio  |                | 16 : 9               |                 |
| 12. Screen resolution (pixels)  |                | 1920 x 1080          | pixels          |
| 13. Screen diagonal   |                | 58                   | cm              |
| 14. Screen diagonal   |                | 23                   | inches          |
| 15. Visible screen area   |                | 1458.4               | cm <sup>2</sup> |
| 16. Panel technology used   |                | LCD                  |                 |
| 17. Automatic Brightness Control (ABC) available                              |                | No                   |                 |
| 18. Voice recognition sensor available  |                | No                   |                 |
| 19. Room presence sensor available  |                | No                   |                 |
| 20. Image refresh frequency rate  |                | 60                   | Hz              |
| 21. Minimum guaranteed availability of software and firmware updates (until): |                |                      |                 |
| 22. Minimum guaranteed availability of spare parts (until)                    |                |                      |                 |
| 23. Minimum guaranteed product support (until)                                |                |                      |                 |
| 24. Power supply type:  |                | Internal             |                 |
| i External standardised power supply (included in the product box)            | Standard name  |                      |                 |
|   | Input voltage  |                      | V               |
|   | Output voltage |                      | V               |
| ii External standardised suitable power                                       | Standard name  |                      |                 |

| <b>INFORMATION</b>                          |                            | <b>Value</b> | <b>Unit</b> |
|---|----------------------------|--------------|-------------|
| supply (if not included in the product box) |                            |              |             |
|   | Required output voltage    |              | V           |
|   | Required delivered current |              | A           |
|   | Required current frequency |              | Hz          |
