

## Rugged and reliable

Lightweight and easy to use – even when wearing gloves. The Tab Active4 Pro brings premium design to the ruggedized family of products. The device is certified according to military standards and is reliable even in hostile conditions. The 10.1" tablet is fitted with Gorilla Glass 5 and IP68-certified, meaning it is scratch-, water- and dust-resistant and will bear up throughout the day. What is more, DeX makes using the tablet almost like using a PC, wherever you work.

### Galaxy Tab Active4 Pro highlights

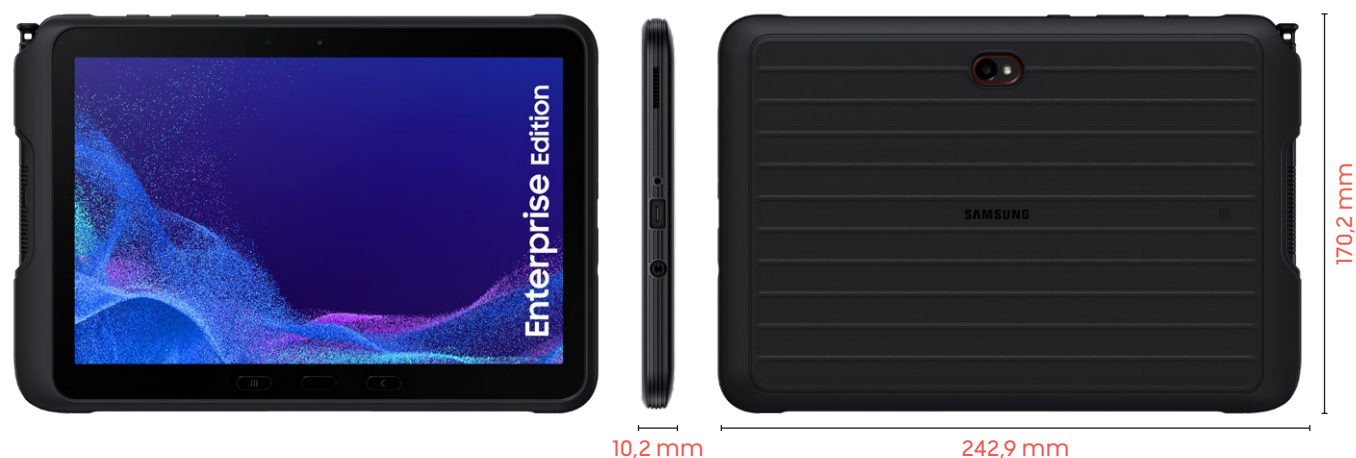

- Ultra-resilient: IP68, Gorilla Glass 5 and MIL-STD-810G
- The slim, light case makes it easy to carry in any work environment
- Can be used when wearing gloves
- S Pen-compatible
- The NFC function means you can be more mobile and more connected than ever before

### The highest security standards

Security is important when you're on the go. Business information on tablets should never fall into the wrong hands. This is why the Galaxy Tab Active4 Pro comes with Samsung Knox as standard. This security platform operates from the moment you switch on the device, and automatically monitors its security constantly. A multilayer software and hardware process protects against intruders, malware and other threats. Thanks to Enterprise Edition, the Galaxy Tab Active4 Pro will also receive regular security updates for 5 years after its launch.

### Powerful

The 7600 mAh battery can provide enough energy to last you the whole day. The powerful 2.4 GHz octa-core processor with 6 GB RAM and 128 GB of memory (expandable with a 1 TB SD card) delivers top performance in all situations. With the 13 MP main camera lens, the 8 MP front camera lens and a powerful flash, you can take razor-sharp, crystal clear photos.

## Technical data

### Galaxy Tab Active4 Pro Enterprise Edition

<b>General characteristics</b>	Model code	SM-T636BZKEEEE
	EAN	8806094626278
	Color	Black
	Operating system	Android 12 · One UI 4.1.1 64 Bit
	Samsung Knox Suite	1 year inclusive
	Market availability	2 years (at least)
	Security updates	5 years
	Manufacturer's guarantee	3 years
	CPU speed	Octa-core 2.4 GHz + 1.8 GHz / 550 mHz
	Display	10.1" · 1920 × 1200 (WUXGA) · 480 Nits · Gorilla Glass 5
	S Pen	Yes
	Memory	6 GB LPDDR RAM · 128 GB · expandable by up to 1 TB with a microSD
	Location finding	GPS · GLONASS · Beidou · Galileo
	Sensors	Accelerometer, fingerprint sensor, gyro sensor, geomagnetic sensor, grip sensor, RGB light sensor, proximity sensor
	Camera	Main camera: 13 MP (f1.9) · flash (flash LED), front camera: 8 MP (f2.0)
	Connectivity	802.11 a/b/g/n/ac/ax 2.4 GHz + 5 GHz, HE80, MIMO, 1024-QAM
	USB	USB-C 3.2 Gen 1
	NFC / DeX	Yes · Yes
	Internal microphone	2 internal microphones
	Device unlock	Swipe · PIN · password · pattern · fingerprint
	Certification	IP68 · MIL-STD-810G
Weight	674 g	
<b>Energy</b>	Battery	7600 mAh
	Fast charging · Wireless charging	Yes (200 min.) · –
	Replaceable battery	Yes
<b>Accessories</b>	Delivery	Travel adapter · S Pen · data cable · Quick start guide · anti-shock cover
