

## Best multimedia experience meets productivity

12.4"  
Display

The immersive display of the Galaxy Tab S7 FE with its small bezels leverages any multimedia experience to the next level. It's super thin and the light metal body in four trendy colours will always stand out during the long mobile working or schooling sessions. It comes with S Pen, designed for high productivity and enhancing your creativity. With the optional Book Cover Keyboard the Galaxy Tab S7 FE becomes your best mobile companion for work and school.

### Highlights Galaxy Tab S7 FE

- Immersive 12.4" display 2560 x 1600 (WQXGA) TFT
- 4 GB RAM, 64 GB memory extendable with microSD up to 1 TB
- Dolby Atmos stereo speakers
- 6.3 mm thin and 608 g light
- 10,090 mAh Battery
- S Pen, Samsung Kids Mode

### Cinematic experience anywhere you want

The Galaxy Tab S7 FE with its 12.4" display offers a unique cinematic experience wherever you are. Watch a football match or your favorite series on the go or keep gaming online with 5G - this new tablet will always entertain you in the best way. The best of two worlds: best for your eyes and best for portability. The light and thin metal body available in four vibrant colors lets you carry the Galaxy Tab S7 FE anywhere, while on your vacations or at work and school.

### Make working and learning fun

The S Pen allows you to express yourself, making drawing and note-taking so much more fun. A fast and natural writing feeling, yet more precise thanks to AI. The Samsung Note App brings the note-taking experience to the next level. Editing of pdfs, integration of handwritten notes, audio-note synchronization, efficient management of all the notes - all functions making your work so much more efficient and productive.

The magnetic Book Cover Keyboard with larger trackpad and full-size keys makes you extremely productive. DeX becomes wireless for the most advanced mobile multitasking experience.
