- 5000 mAh battery with 25W fast charging technology
- On-display fingerprint scanner
- Dual SIM + microSD card
- IP67 Water and dust resistance
- Samsung Wallet for secure, contactless payments

### Awesome Design

The new Galaxy A35 5G has an impressive modern design that combines elegance and functionality. The 6.6" Super AMOLED Display offers breathtaking picture quality and vivid colors. The device's robust metal housing provides an excellent surface feel and longevity, and the "Key Island" buttons make it intuitive to use. The Galaxy A35 5G is available in the trendy colors of Awesome Iceblue, Awesome Navy, Awesome Lemon and Awesome Lilac.

### Awesome Camera

The 50 MP main camera, with its optical image stabilization, can take sharp pictures and stable videos even under poor lighting conditions. The Galaxy A35 5G's ultra-wide-angle lens and macro lens offer greater flexibility for a wide range of shots from landscapes to close-ups.

### Awesome Performance

The new A35 5G boasts impressive performance for everyday use. Its 5000 mAh battery and 25W rapid charging function means you can use it all day long without needing to look for a charging socket. Thanks to an improved vapor chamber cooling system, the smartphone stays cool and at peak performance even during demanding tasks. It is also certified to IP67 standard, meaning that it is protected against water and dust. The device is also optimally equipped in terms of security, protected with Samsung Knox.
