The power package for your business

With the Galaxy Enterprise Edition, you get an innovative solution package consisting of powerful hardware, smart software and extended warranty and update services. It meets the stricter requirements companies are putting on their business devices in all key areas.

The Galaxy Enterprise Edition offers:

High security standards

- Protection against malware, hacker attacks and other threats thanks to the Samsung Knox security platform
- Up to 5 years of regular security updates

Excellent business continuity

- High planning reliability thanks to the 2-year guaranteed market availability of all products
- Three-year manufacturer guarantee (except A36)
- Up to 7 years (S24) operating system updates

Comprehensive device management

- All-round, centralized and efficient device administration thanks to the Knox Suite (1-year license included)
- Individual configuration tailored to your company's needs
- Ability to update the operating system remotely on schedule

Powerful smartphones and tablets

- Selected Samsung Galaxy series devices for maximum productivity
- Cutting-edge technologies designed for next-generation business

Hard shell. Secure core.

Designed for working in extreme conditions. Our particularly robust devices are protected against water, dust, impacts and extreme temperatures.

Galaxy XCover7

Certified according to US military standard MIL-STD-810H¹ and IP68²

Easily replaceable battery

Operable with work gloves

- 6.6" flat FHD+, touch LCD display with Gorilla Glass 7
- Main camera: 50 MP f/1.8, front camera: 5 MP f/2.0
- 6 GB RAM, 128 GB memory, expandable with a microSD
- Replaceable 4050 mAh battery
- Dual SIM
- One programmable key, e.g. for push-to-talk function
- Operable with work gloves

Galaxy Tab Active5

Certified according to US military standard MIL-STD-810H¹ and IP68²

Easily replaceable battery

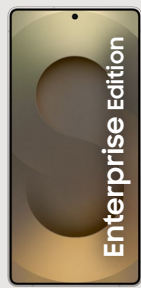

Operable with work gloves

- 8.0" WUXGA TFT 1920 × 1200 pixel display, Gorilla Glass 5
- Main camera: 13 MP f/1.9, front camera: 5 MP f/2.2
- 6 GB RAM, 128 GB memory (Wi-Fi), 8 GB RAM, 256 GB memory (5G), expandable with a microSD
- Replaceable 5050 mAh battery, "No Battery" mode
- Fingerprint sensor
- S Pen (water resistant and dust proof)
- One programmable key, e.g. for push-to-talk function
- Operable with work gloves

Strong performance for your business

Smart technologies mean high productivity, no matter where you are working. From Galaxy S24 Series now with Galaxy AI³ for Business with helpful functions such as Live Translate, Note Assist and much more.

Unfold new mobile productivity

The Galaxy Z Fold6 and Flip6 Enterprise Edition can boost your productivity and ensure the security of your business. Thinner and lighter with a pocket-worthy silhouette, and an awe-inspiring fold-out screen.

Galaxy Z Fold6

Wireless mobile-to-desktop experience with Samsung DeX

Thinner, lighter and more durable with a zero-gap hinge

S Pen* and Galaxy AI for maximum productivity

*Compatible, sold separately

- Main screen: 7.6", 2600 nits, Dynamic AMOLED 2X, adaptive 1-120Hz, 374 ppi
- Cover screen 6.2", adaptive 1-120Hz, 410 ppi
- Main camera: 50 MP wide f/1.8 + 12 MP ultra wide f/1.12 + 10 MP 3x optical zoom f/2.4, front/cover camera: 10 MP f/1.12
- 12 GB DDR5 RAM, 256/512 GB memory
- Snapdragon 8 Gen3 for Galaxy 4 nm processor
- 4400 mAh battery with Fast Charging 2.0 technology
- Facial recognition, side fingerprint
- Nano SIM (4FF) + eSIM
- Water-resistant to IP48*

Galaxy Z Flip6

Galaxy AI for productivity

Zero-gap hinge for gapless closing

Durable and waterproof with an IP48 rating*

- Main screen: 6.7", 2600 nits, Dynamic AMOLED 2X, adaptive 1-120Hz, 425 ppi
- 3.4" cover screen, 60Hz, 306 ppi
- Main camera: 50 MP wide f/1.8 + 12 MP ultra wide f/2.2, front camera: 10 MP f/2.2
- 12 GB RAM, 256 GB memory
- Snapdragon 8 Gen3 for Galaxy 4 nm processor
- 4000 mAh battery with 25 W fast charging technology
- Facial recognition & side fingerprint
- Nano SIM (4FF) + eSIM
- 5G for fast data transmission

Awesome for every business and any budget

The Galaxy A series will be your strongest business partner. It will impress you with its style-conscious design, amazing display and breathtaking 5G for hyper-fast speed.

Galaxy A56 5G

Intelligent triple camera

Super AMOLED display

On-screen fingerprint sensor

- 6.7" FHD+ Super AMOLED Infinity-O (19.5:9), 120 Hz
- Triple main camera: 50 MP OIS + 12 MP + 5 MP, front camera: 12 MP
- 8+128 GB, 8+256 GB, 12+256 GB UFS3.1+LPDDR5, expandable by up to 1 TB with a microSD card
- 5000 mAh battery with 45-W Fast Charging technology
- On-display fingerprint scanner
- Dual SIM with nano and eSIM
- 5G for fast data transmission
- Water-resistant and dust-proof to IP67⁵

Galaxy A36 5G

Intelligent triple camera

Super AMOLED display

On-screen fingerprint sensor

Product lifecycle of 2 years is not guaranteed

- 6.7" FHD+ Super AMOLED Display, 120 Hz
- Triple main camera: 50 MP OIS + 8 MP + 5 MP, front camera: 12 MP
- 8 GB RAM, 128/256 GB memory, expandable by up to 1 TB with a microSD card
- 5000 mAh battery with 45-W Fast Charging technology
- On-display fingerprint scanner
- Dual SIM
- 5G for fast data transmission
- Water-resistant and dust-proof to IP67⁵

Work like never before

Your handiest work buddy. The Galaxy Tab S9 makes productive work possible thanks to an exceptional video call experience, its desktop mode option and its rugged protection against water and dust.

Galaxy Tab S9

Dynamic AMOLED 2X Display

S Pen with handwriting recognition

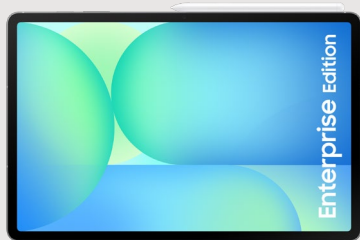

Certified according to IP68²

Available as Enterprise Edition only in the 5G version.

- 11,0" 2560 × 1600 (WQXGA) Dynamic AMOLED 2x, 120 Hz
- Main camera: 13 MP wide, Flash LED
Front camera: 12 MP
- 8 GB RAM, 128 GB memory, expandable by up to 1 TB with a microSD card
- 8400 mAh with 45 W Fast Charging technology
- In-display fingerprint sensor
- S Pen with 2.8 ms latency (handwriting recognition and Air Actions)
- Water-resistant and dust-proof to IP68²
- 5G for fast data transmission
- Dual SIM + eSIM

Galaxy Tab S10 FE

WUXGA+ TFT-Display

S Pen with handwriting recognition

Certified according to IP68²

Available as Enterprise Edition only in the 5G version.

- 10,9" 2304 × 1440 WUXGA+ TFT-Display, 90 Hz
- Main camera: 13 MP wide, Front camera: 12 MP
- 8 GB RAM, 128 GB memory, expandable by up to 1 TB with a microSD card
- 8000 mAh with 45 W Fast Charging technology
- In-display fingerprint sensor
- S Pen with 2.8 ms latency (handwriting recognition and Air Actions)
- Water-resistant and dust-proof to IP68²
- 5G for fast data transmission
- Dual SIM + eSIM

samsung.com/ch/business/mobile/enterprise-edition

1. Protected against shocks, sand and dust, moisture, heat and cold in accordance with US military standard MIL-STD-810H.
2. IP68 provides protection against permanent immersion in water at a depth of 1.5 metres for 30 minutes and only in clear water. It does not offer protection against salt water and other liquids, in particular soapy water, alcohol and/or heated liquids. The SIM card/memory card holder must always be completely flush with the device so that no water can penetrate through it.
3. Galaxy AI features will be provided for free until at least the end of 2025 on supported Samsung Galaxy devices.
4. Based on lab test conditions for submersion in up to 1.5 meters of freshwater for up to 30 minutes and for protection against solid objects greater than 1mm such as a wire. Not advised for beach or pool use. Water resistance of device is not permanent and may diminish over time because of normal wear and tear. Not dust- or sand-resistant.
5. IP67 provides protection against permanent immersion in water at a depth of 1 metres for 30 minutes and only in clear water. It does not offer protection against salt water and other liquids, in particular soapy water, alcohol and/or heated liquids. The SIM card/memory card holder must always be completely flush with the device so that no water can penetrate through it.
