Powerful performance

Thanks to its fast and seamless performance, the Galaxy Tab A11+ is perfect for gaming, multitasking and video calls. The 5 MP front camera ensures more realistic shots in high image resolution. The camera's new design matches the elegant look of a flagship Galaxy smartphone. The 90 Hz refresh rate provides smooth image transitions when scrolling the Internet and a seamless visual experience for video calls. The quad speakers are supported by Dolby Atmos and create an immersive sound experience to enjoy high-quality conversations and entertainment.

Experience more, delete less

Tired of constantly deleting photos and videos because the storage is full again? The Galaxy Tab A11+ provides plenty of storage, which can be expanded up to 2 TB with a microSD. This allows you to keep important memories and enables greater flexibility. The 7040 mAh battery provides power so that you have more time for creative pictures or productivity.

The full Galaxy experience

Experience the new Galaxy Tab A11+ with the elegant look of a S series model and its own unique Galaxy identity. The updated design makes smart functions such as Google Gemini¹ even more accessible: simply press the side button and complete complex tasks more efficiently. The Samsung Notes app is now even more versatile at organizing your everyday tasks and Solve Math makes solving mathematical formulae easy. Just draw an equal sign and the result will be displayed. The Galaxy Tab A11+ is available in the colors Gray and Silver.

¹ Gemini is a brand of Google LLC. Requires an Internet connection and Google account login. Only available for users aged 18 years and above.
