10.9" display

The Galaxy Tab S10 Lite is the perfect companion when you're on the go. It's light, slim and stylish. With a thickness of just 6.6 mm, it fits effortlessly into your pocket, backpack or hand. Not only does it look great, it also feels high-quality. Available in the elegant colors Gray and Silver, it cuts a fine figure wherever you go. Whether you're out and about or relaxing at home, the Galaxy Tab S10 Lite is so light that you can take it everywhere with you - without having to compromise.

Galaxy Tab S10 Lite highlights

- Slim: 6.6 mm; lightweight: 523 g (Wi-Fi)
- 8000 mAh battery
- Facial recognition
- S Pen supported (included)
- Keyboard with touchpad (optional)

Unlimited entertainment

The Galaxy Tab S10 Lite has an improved display for more entertainment. The large 10.9" display shows colors with high brightness and in crystal-clear resolution. Thanks to the reduced blue light with SGS Low Visual Fatigue certification, your eyes are optimally protected. The refresh rate of up to 90 Hz ensures seamless transitions and enhanced visibility in every environment. With its long-lasting 8000 mAh battery, you can watch videos for up to 16 hours. If the battery happens to run out, you can power it back up in no time with the 25 W fast charging system.

Designed for creativity and productivity

With the S Pen, sketching by hand feels just like using a real pen. You can write directly into the PDF Reader as if it were a notebook. Smart functions such as Handwriting Help guarantee high readability while Solve Math solves mathematical formulas. Thanks to Split View, you can use several windows at once. The S Pen button enables precision and translations at the touch of a button. With the Galaxy AI Key on the Book Cover keyboard, Google Gemini¹ or Bixby are only a click away. The use of AI functions like Circle to Search is now even more intuitive. Simply circle objects with the S Pen to search and find them.

Seamlessly connected with Galaxy

Share files easily with Quick Share, use the displays of different Samsung Galaxy devices as an extended screen or listen to music without having to reconnect your Galaxy Buds. Thanks to the integrated Galaxy Experience and SmartThings, you can control your Samsung Galaxy devices in real time - from wherever you are. With the new Home Insight Widget, you can view your home on the dashboard. Receive information about air quality or energy consumption and determine, for example, the ideal room temperature for new house plants.

¹ Gemini is a brand of Google LLC. Requires an Internet connection and Google account login. Only available for users aged 18 years and above.

Some AI functions require an Internet connection, a Samsung Account login or a Google account login.
