

Description
Privacy Screen
EF-NX812PBEGWW

Your private screen protected

Guard your screen from unwanted attention. The Privacy Screen restricts the viewing angle of your tablet's screen to 30 degrees in Landscape mode to create the blacked-out effect for anyone but you. Keep peeking eyes away and protect your privacy.

*LumaFusion app may require separate purchase.
**Image simulated for illustrative purposes. Actual UX/UI may vary.
***S Pen and touch recognition on the touchscreen may be limited.
****Fingerprint and facial recognition may be limited. To improve recognition, remove the screen from the front of the device.
*****The intended privacy benefits apply to Landscape mode and is not functional in Portrait mode.
