360° Face Tracking Tripod - No App - Remote Control - Built-in Camera - INFLUENCE PRO

FILM LIKE A PRO, EVEN SOLO – THE TRIPOD THAT FOLLOWS YOU 360°

Transform your videos and calls into seamless, professional experiences with our smart tripod with built-in auto-face tracking. Ideal for tutorials, live streams, online classes, TikTok, Reels, or video calls.
The benefits:

360° Auto Face Tracking: Effortlessly frame yourself perfectly, even on the move. Built-in camera: Works independently, without any app.

Smart gesture control: Activate or deactivate tracking with a simple hand gesture (OK/STOP).

Multifunctional Bluetooth remote control: A single remote control to remotely trigger your photos/videos and control TikTok (next/previous video, like, volume up/down, swipe left/right).

Adjustable jaw: Perfect for portrait/landscape or front/rear camera orientation.

Detachable 2-in-1 smartphone stand: The jaw detaches from the tripod to become a mini desktop stand—ideal for watching videos.

Tripod extends up to 160 cm: Adapts to any situation, from desktop to full-length photography.

Compatible with all smartphones up to 9 cm wide.

Rechargeable via USB-C
